

3-1 Varnville, S. C.

This is an alphabetical listing by families. Reference was made where the family name does not match.

This version of the census was compiled by members of the Varnville Cemetery Association in 1997 and is updated regularly.

The cemetery is located on Second Street in Varnville, north off West Pine Street. The land for the cemetery was purchased from Mrs. L. M. Varn on December 1, 1885 by the Town of Varnville for \$75.00. The description was "All that lot or parcel of land lying, being and situated in the town & County & State aforesaid containing three acres of land known as the Cemetery for the said town, bounded North by lands of J. H. Varn, East, South and West by lands of L. M. Varn." Additional land has been added twice and now includes about 5.403 acres.
